

IPOKRATES Foundation Clinical Seminar

Care of the Extremely Preterm Infant

Eurostars Oporto Hotel, Rua do Mestre Guilherme Camarinha, 212; 4200-537 Porto, Portugal,
www.eurostarsporto.com
May 7 - 9, 2015

Objectives

IPOKRATES seminars provide high-quality postgraduate education, which enables professionals to keep abreast on the most recent developments, and offer participants the opportunity to discuss clinical problems and scientific issues personally with international experts. Emphasis will be made on providing and structured approach to care of the extremely premature infant from its theoretical and physiological basis to clinical patient management.
