

Coimbra Liver Transplantation Conference
Coagulation, Liver Disease and Liver Transplant
Facts and Controversies

Friday 9th September 2016

9:00 - 09:30 - Opening Registration Desk

9:30 - 09:40 - Opening Session - Welcome

Lectures (20 minutes talk plus 10 minutes for discussion)

09:40 - 10:00 - Coagulation Disorders in Chronic Liver Disease: Pathophysiology and Management

Roopen Arya, King's College Hospital, London

10:10 - 10:30 - Haemostasis Management of the Critically Ill Cirrhotic Patient

Ton Lisman, University Medical Center of Groningen, Groningen

10:40 - 11:00 - Coagulation Disorders in Acute Liver Failure: Pathophysiology and Management

Dominique Debray, Hôpital Necker - Enfants Malades, Paris

11:10 - 11:30 - Coffee-Break

11:30 - 11:50 - Screening for Thrombophilia Before Liver Transplant: Is it Indicated?

Roopen Arya, King's College Hospital, London

12:00 - 12:20 - Haemostasis Monitoring during Liver Transplantation: How to do it and How to Manage it?

Carlos Seco, Centro Hospitalar e Universitário de Coimbra, Coimbra

12:30 - 12:50 - How to Assess the Risk of Intraoperative Blood Loss During Transplant: Can We Predict it?

Christophe Chardot, Hôpital Necker - Enfants Malades, Paris

13:00 - 15:00 - Lunch

15:00 - 15:20 - Vascular Complications: Can We Prevent it at 95% Doing Liver Transplant?

Jean De Ville de Goyet, Ospedale Pediatrico Bambino Gesù, Rome

15:30 - 15:50 - Systemic and Local Thrombosis - Late Events After Successful Transplant

Ton Lisman, University Medical Center of Groningen, Groningen

20:00 - Conference Dinner

Saturday 10th September 2016

10:00 - 10:20 - Hyper or Hypocoagulability After Transplantation - How to Deal with the Risk of Thrombosis?

Christophe Chardot, Hôpital Necker - Enfants Malades, Paris

10:30 - 10:50 - Universal Thrombosis Prophylaxis in Paediatric Liver Transplant. Does It Reduce Early Events?

Jean De Ville de Goyet, Ospedale Pediatrico Bambino Gesù, Rome

11:00 - 11:30 - Coffee-Break

11:30 - 11:50 - New Anticoagulant Drugs

Ton Lisman, University Medical Center of Groningen, Groningen

12:00 - Closure
